Branch	Head Office	Company	AMITABH BUILDERS & DEVELOPERS PVT.LTD.
S/O, W/O, D/O	CHANDESHWAR PRASAD YADAV	Address	Vill.- Gangaur, PO- Gangaur, PS- Harlakhi Thana, Dist.- Madhubani, St.- Bihar

Dear Ankit,

We are pleased to inform you that, in recognition of your honesty, integrity, discipline, dedication, professional competence, exemplary performance, and valuable contributions to Amitabh Builders & Developers Pvt. Ltd., the Management is delighted to promote and appoint you to the position of **Project Site Manager**, effective **01 July 2026**.

This promotion reflects the Company's confidence in your leadership abilities, commitment to excellence, and unwavering dedication toward achieving organizational goals. We are confident that you will continue to discharge your enhanced responsibilities with the same level of professionalism, accountability, and sincerity, while contributing significantly to the successful execution of the Company's projects and overall growth.

Key Responsibilities

1. Plan, supervise, coordinate and execute all site development activities.
2. Monitor earth filling, land levelling, road works, drainage, interlocking, culverts and other civil works.
3. Supervise electrical, street lighting, water supply and infrastructure development.
4. Manage contractors, engineers, supervisors, operators and labourers.
5. Monitor operation and maintenance of JCBs, excavators, rollers, dumpers, tractors and other machinery.
6. Verify quantity and quality of construction materials and maintain stock records.
7. Maintain daily records of diesel, machinery, vehicles and resources.
8. Verify labour attendance, wages and daily expenses.

9. Submit Daily Progress Reports (DPR) and other required reports.
10. Ensure safety, cleanliness and discipline at the project site.
11. Ensure work is completed according to approved drawings and quality standards.
12. Protect company assets, machinery and materials.
13. Maintain transparent project records and registers.
14. Provide periodic progress reports to Management.
15. Comply with all lawful instructions issued by Management.
16. Maintain trip records for soil-carrying vehicles.
17. Prepare material indents as required.
18. Assist visitors and customers during site visits and coordinate with the sales team.
19. Maintain digital records, photographs and project documentation.
20. Control material wastage and project costs.

Responsibilities & Accountability

You shall be directly responsible for overall site execution, manpower management, quality control, material management, machinery supervision, safety compliance, timely completion of work, project reporting and safeguarding Company assets.

Terms & Conditions

1. Effective from 01 July 2026.
2. Employment shall be governed by Company policies and HR rules.
3. Report directly to the Project Director/Managing Director or authorized officer.
4. Management may change your role or place of posting as required.
5. Prior approval is mandatory for expenditure beyond authorized limits.
6. Ensure safety and proper use of Company assets and materials.
7. Maintain confidentiality of Company information.
8. Hand over all Company property upon transfer, resignation or termination.
9. Performance will be reviewed periodically.

10. Compliance with all applicable laws and Company policies is mandatory.
11. Maintain digital reports and records.
12. Performance appraisal will consider quality, timeliness, cost control, safety and leadership.

Employee Acceptance

I, Mr. Ankit Kumar, have read, understood and accepted all the terms, responsibilities and conditions contained in this Promotion & Role Enhancement Letter and agree to comply with all Company rules and policies.
